Dear Neighbor:

SUBJECT: NOTIFICATION OF PUBLIC MEETING

This letter is to notify you that the Navy will host a public meeting to discuss the continuation of tree assessments for properties around Naval Station Norfolk's airfield. As communicated in past years, obstructions such as tall trees can pose a safety risk for approaching and departing aircraft, as well as to individuals living in the surrounding area. **Your property has been identified as having trees that are obstructing the flight path and require removal.** **The Navy identified a path forward which would allow us to compensate you for your cooperation. To better serve your interest, secondary agreements, including monetary compensation, are being offered.** We encourage you to come to the public meeting to learn more about this important project that will take place in your neighborhood.

The public meeting will be held at Northside Middle School on April 22, 2025 from 5 p.m. to 7 p.m. Northside Middle School is located at 8720 Granby Street, Norfolk, VA 23503.

We look forward to meeting with you at the public meeting. If you require additional information, my point of contact for this issue is Mr. Adam Martin, Chambers Field Encroachment Project Manager. He can be reached at 757-438-4036.

Sincerely,

A handwritten signature in red ink, appearing to read "M.T. Schlarmann", is positioned above the printed name.
