Chaplains Religious Enrichment Operation (CREDO)

Background

VISION STATEMENT CREDO is the premier, preventative, transformational program beyond Boot Camp for the Sea Services. CREDO provides Military Personnel and Family Members an opportunity to:

- Gain self-esteem and self-understanding
- Learn to respect themselves and others
- Accept responsibility for their lives
- Develop healthy spirituality

CREDO PURPOSE STATEMENT Since 1971, CREDO has offered transformational workshops, seminars and retreats specifically designed to inspire hope and strengthen spiritual well-being and enrich the lives of service members and families. CREDO exists to supplement local Commands in readiness of sea-service personnel and their families through specially designed retreat ministries. The primary target group is sea service personnel and family members to find supporting resources for personal growth, marriage enrichment, spiritual growth, and emotional maturity.

MISSION STATEMENT The mission of CREDO is to provide appropriate programs of ministry to enable military personnel, their families, and other authorized personnel to develop personal and spiritual resources and grow toward increased functional ability, religious maturity, and acceptance of responsibility.

Marriage Enrichment Retreat (MER) An opportunity for committed couples to explore how they may better grow together in intimacy and love. Couples on this retreat will reflect upon and actively explore the health of their relationship by looking together at where they are in their relationships, how they got there and where they want to go. An individual Personal Growth Retreat is highly recommended prior to attending this retreat. Couples are responsible for making their own child care arrangements. It is Department of Defense policy to treat all military married couples equally. Retreats are open to all married couples with valid active duty & dependent ID cards. The goal of all CREDO retreats is to strengthen relationships in an environment that is free from the everyday-day distractions and stressors of life and are not designed to replace counseling or solve deep-seated relationship issues. CREDO retreats will be conducted in a manner that is sensitive to the diverse religious, spiritual, moral, cultural, and personal beliefs of all who attend while maintaining the integrity of the chaplain's endorsing agency requirements.
