1530 GILBERT STREET SUITE 2000
NORFOLK VA 23511-2722

11000
Ser N00
November 2, 2018

Dear Neighbor:

SUBJECT: NOTIFICATION OF TREE ASSESSMENT PUBLIC MEETING

The U.S. Navy is notifying you of an open house public meeting that will take place to discuss the tree assessment for properties around Naval Station Norfolk's Chambers Field. As communicated in my letter dated September 26, 2018, obstructions, such as tall trees can pose a safety risk for approaching and departing aircraft in addition to individuals living in the surrounding area. **Your property has been identified as being within the designated assessment area. However, the trees on your property DO NOT require further assessment.**

The public meeting will be held at Northside Middle School on November 8, from 4 p.m. to 7 p.m. Northside Middle School is located at 8720 Granby Street, Norfolk VA 23503.

The additional assessment of trees on other private property in Merrimac Landing, Commodore Park and Granby Shores neighborhoods will be necessary. Therefore, you may continue to see the Johnson, Mirmiran and Thompson (JMT) Engineering employees in your neighborhood working from the public roads and sidewalks and also on private property as allowed by the property owner from January 2019 to April 2019. Standard survey equipment will be used for this data collection. A Navy representative will also be on-site.

If you choose to attend, we look forward to meeting with you at the open house public meeting. If you require additional information, my point of contact for this issue is Mr. Steve Jones, Community Plans and Liaison Officer. He can be reached at (757) 322-2333 or via email at steve.g.jones@navy.mil.

Sincerely,

A handwritten signature in black ink, appearing to read "B. N. ROSEN", is positioned above the printed name.

B. N. ROSEN
Commanding Officer
Naval Station Norfolk
